Dear San Bernardino High School Faculty and Staff:

Route 210 construction will require continued closures of eastbound Route 30 "H" Street off-ramp in San Bernardino. Construction crews are completing utility upgrades which require intermittent ramp closures. These closures will remain in effect Monday, December 18 through Thursday, December 21, from 7 a.m. to 3 p.m. After this date, no other scheduled closures for this ramp will be required.

As an alternate route, motorists are encouraged to remain on eastbound Route 30, exit at Waterman Avenue, enter westbound Route 30 and exit at H Street.

SANBAG wishes you and your family a safe and happy holiday season. Please remind family members and friends to drive safely through the construction areas and to watch for pedestrians. For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at [www.sanbag.ca.gov](http://www.sanbag.ca.gov). SANBAG and Caltrans appreciate your understanding during construction of this new freeway. Please allow extra travel time, follow all signs and posted detours.

**Remember, Safety: It's no accident!**
